

Light Duty

Multi-Purpose

## EDGE 48-125/48-126/48-129 industrial work gloves are an economical solution for light applications requiring a good level of abrasion resistance & grip, as well as high tactility in dry to slightly oily environments.

- Made with a black, white or grey 15 gauge highly comfortable and dexterous polyester liner (depending on the application requirement)
- EDGE 48-125, 48-126 and 48-129 industrial work gloves combine a seamless knitted liner with elasticized knit wrist dipped into black, white or grey polyurethane coating.
- This combination provides good flexibility and finger dexterity compared to cotton canvas or thick cotton gloves.
- EDGE 48-125, 48-126 and 48-129 is the efficient choice for an inexpensive light duty glove solution with quality features.

### Industries

- Automotive & Auto OEM
- Electronics
